EPA & Calista Meeting Agenda (Draft Final).docx

Greetings Everyone,

I am attaching the Draft Final Agenda for our meeting with the Calista Corporation on Thursday. I have incorporated Calista's request to add the following item to the agenda:

Designation of Crooked Creek, Anaconda Creek, and American Creek as Aquatic Resources of National Importance (ARNIs)

Let me know if you have additional changes/additions to the agenda.

Also, do we need to provide any handouts during the meeting, such as the 404(q) MOA where it discusses the basis of the ARNI.

Thanks

Mark S. Jen
